For Office Use Only:
Date Application Rcv'd: _____
Approval: _____

IMAG History & Science Center is hiring General Camp Instructors for our onsite summer camps. As a General Camp Instructor, you will be responsible for inspiring kids (ages 5-14years old) to engage in hands-on STEM, art, and history activities. Haven't taught camp before? Not a problem! We provide the training you need before camp starts. The ideal candidates are passionate about STEM, art and/or history, and have the proper classroom management skills to make camp-learning fun and exciting. Camp instructor applicants will complete a general application and submit a resume to be considered for an in-person interview. We will determine which type of camp is the best fit with your background and availability.

Core Responsibilities: Provide developmentally appropriate instruction in STEM, art and/or history curriculum. Serve as a role model for campers in appropriate behavior, language, attitudes, and activities. Assist with pre/post camp duties.

Job Requirements: Bachelor's degree and teaching experience in STEM or history subject areas preferred, but related experience can be substituted. Currently be employed with a local school district or charter organization preferred. First Aid & CPR certifications preferred.

Compensation:

General Camp Instructor: Weekly compensation of \$625, based on a 41.5/hr week. Pay will be prorated for missed hours/days.

Mandatory Training Dates:

General Training/Orientation is June 9th, 2023, from 9:30-12:30pm. At the general training, we will go over camp policies and procedures, tour of the museum and classrooms, and meet the Junior Camp Assistants assigned to your camps. If you are unable to attend, you will be provided with a virtual training option instead.

All teachers will also be required to complete one-on-one training with the Director of Education Programs prior to camp starting for each camp and/or clubs they have been assigned. Teachers will not be allowed to teach camp or clubs without completing the one-on-one training. These training sessions will be arranged individually. During individual trainings, you will receive curriculum for your assigned week and learn how to use the associated technology and equipment needed for your camp.

Typical Camp Schedule:

Full Time: Pre-Camp Coverage 7:45 AM – 4:15 PM or Post-Camp Coverage 9:00 AM – 5:30 PM.

All Full Time Camp will arrive at 7:45am on Mondays and all Camp will stay until 5:30pm on Fridays to assist with opening and closing camp each week. Two teachers will be assigned the early shift and two teachers will be assigned the later shift for each week.
