Each session of Maker's Club is comprised of three separate classes - all steps in working toward one goal. We recommend students attend all three classes in order to complete their project with all the resources available!

CLASS 1 SEP|DEC|MAR

Design

Decide what you want to create! Learn the ropes of the design software and start designing!

CLASS 2 OCT|JAN|APR

Refine

Make your first prototype! See what you want to change or add to your creation - the possibilities are near limitless!

CLASS 3 NOV|FEB|MAY

Fabricate

Make your design a reality. Put together your final product and show off what makes it special!
