

## Camp IMAG Scholarship Fund

The Camp IMAG Camp Scholarship Fund aims to maximize educational opportunity for all children. The IMAG History & Science Center is committed to supporting our community, especially in the area of STEM Education. The Camp IMAG Scholarship Fund supports families in need by offering tuition assistance for rising 1<sup>st</sup> to 8<sup>th</sup> graders to our STEM and history camps. Applications for these need-based scholarships will be submitted to and reviewed by a third-party organization who will determine the award recipients. Each award recipient will receive one week of paid camp tuition (a \$275 value), as well as a free Annual Family Membership (a \$125 value) to the IMAG History & Science Center for up to 2 adults and 4 children. We are so proud to offer this program and be a part of expanding STEM and history education in our community.
